

## Undergraduate CTPB Award Report Form

This form must be completed by all CTPB Undergraduate Award recipients and submitted to the CTPB Coordinator no later than 30 days after the end of award tenure.

Name (of student)	Name and title of supervisor
-------------------	------------------------------

Provide a brief summary of the work you did during your summer research project

Did you enjoy your summer project, and did you find it rewarding? Why or why not?

Did you feel that your summer research project enhanced your experience in the field of bionanomachines?

Please provide any further comments or suggestions to improve the CTPB

What are your future plans for your career after you complete your undergraduate degree (ex: graduate studies, professional career)? If you have been offered and/or have accepted a position, please provide details.

List any posters, abstracts or publications of which you are a part (in preparation, submitted, in press, or published) that have resulted from your research during the tenure of your award.
